Old Business:

None

New Business:

Barb moved to approve a 90' to 100' variance from center of road to build a shop @ 10-135-86 SESE. Second by Larson. All in favor. Motion carries. Brett Zenker is to submit a building permit along with a written request for a 100' variance, to the County Commissioners August 21, 2019.

Henry Schatz wants to survey/plat a couple of lots as he sells them. The Board decided a letter should be sent to Henry to let him know he needs to submit a written plan on what he wants (same as he did when setting up Schatz Subdivision). Looks like R-1 would have to be followed and the lots would have to be 1 acre lots.
